

We Rage, We Weep
Alzheimer Foundation

Volunteer Application

We appreciate your interest in becoming a volunteer. Volunteering with We Rage We Weep Alzheimer Foundation is an opportunity to make a very worthwhile contribution to your community. This young Foundation strives to do more for caregivers who are often left to carry a heavy burden with minimal assistance. Its mission is to ensure that no caregiver feels alone, isolated or without adequate financial resources.

We Rage We Weep Alzheimer Foundation's focus is South Vancouver Island (to start) and therefore needs volunteers to help in many ways.

It is my personal wish to make the volunteer culture at our foundation one that is based upon appreciation...and fun! The founding board has designed a volunteer program that orients each volunteer personally to make sure they feel appreciated and that they have enjoyed the experience enough to say "yes" again in the future. This information will be used to make sure you enjoy your work with us as much as possible.

Norman Tashe Board Member/Volunteer Coordinator

Name: _____
